Students have **4 papers** to sit at the end of Year 11.

Two Literature papers in May and **two Language papers** in June 2020.

The content for all 4 exams is taught in English lessons over the two years course. The overlap of skills needed for all papers will be highlighted and developed throughout the course.

Homework and revision will be interleaved in order to ensure that all skills and knowledge are revisited and consolidated over the two years.

It would be helpful to purchase copies of the exam texts and revision guides. Please speak to Mrs Hutton if you would like support with this.
