## **The Highfield School Online Safety Acceptable Use Agreement**

Dear Parent/Carer,

The internet, email, mobile technologies and online resources have become an important part of learning and life. We want all students to be safe and responsible when using any IT. It is essential that students are aware of online risk, know how to stay safe and know where to go to report problems and access support.

Students are expected to read and discuss this agreement with you and then to sign below as indicated and to follow the terms of the agreement. Any concerns or explanation can be discussed with Mrs Jennie Clift, Deputy Headteacher.

Please can you also sign and return the parent/carer agreement below.

This document will be kept on record at the school.

### **Parent/s Carer/s agreement**

**Parent/s Carer/s name/s**.....

I/we have discussed this agreement, which highlights the associated risks when accessing the internet, mobile and digital technologies, with our child. I/we agree to support them in following the terms of this agreement.

I/we also agree not to share school related information or images online or to post material that may bring the school or any individual within it into disrepute.

(Rather than posting negative material online, any parent, distressed or concerned about an aspect of school should make immediate contact with a member of staff. Negative postings about the school would impact on the reputation of the whole school community. Parents are encouraged to report breaches so that we can protect the reputation of the school, staff, students and parents.)

I/we also agree only to use personal mobile phones and devices in designated areas of the school unless otherwise informed, e.g. for specific events and activities. I/we understand that under no circumstance should images be taken at any time on school premises of anyone other than our own child/ren, unless there is a pre-specified agreement. I/we understand that when on school premises but not in a designated area where phones can be used, they must be switched off and out of sight.

- I understand that everything I search for, access, post or receive online can be traced now and in the future. My activity can be monitored and logged and if necessary shared with teachers, parents/carers and the police if necessary. I know it is essential that I build a good online reputation.
- I will not browse, download, upload or forward material that could be considered offensive or illegal. If I accidentally come across any such material I will report it immediately to a member of staff if I am in school, or parent/carer if I am not in school.
- I will not give out my own or others' personal information, including: name, phone number, home address, interests, schools or clubs or any personal image. I will report immediately any request for personal information, to a member of staff if I am in school or parent/carer if I am not in school.

- I will not assume that new technologies can be brought into school and will check with staff before bringing in any device.
- I will not lie about my age in order to sign up for age inappropriate games, apps or social networks.
- I understand that not everything I see or hear online is true, accurate or genuine. I also know that some people on the internet are not who they say they are and may have ulterior motives for assuming another identity that will put me at risk. I will gain permission from parents/carers before arranging to meet someone I only know on the internet.
- I understand that these rules are designed to keep me safe now and in the future. If I break the rules, teachers will investigate, I may be disciplined and my parents/carers may be contacted. If I break the law the police may be informed.
