

# KS5 Progress Reports

# Target Grades

- *Our targets are set using the Ready Reckoner database*
- *The Ready Reckoner data uses previous performance data to show the level of progress we can expect from KS4 to KS5*
- *Target grades are aspirational but realistic for all students.*

# Predicted Grades

- *These grades are predictions or estimates*
- *They show what teachers believe is the most likely outcome for each student at the end of the KS5 course*
- *These predictions will be 'fine grades' showing 1, 2 or 3*

## **Working at Grades & Attitude to Learning Scores**

- *Attitude to Learning scores are between 1 and 4*
- *Working at Grades show the grade a student would achieve if they were to sit the exam at that moment in time*
