

## Year 12 - Summer Bridging Project

### **Task 1 - PowerPoint - DON'T WORRY YOU WON'T BE PRESENTING!**

You need to go and research 2 companies - both must be Public Limited Companies - PLC's. Put this information onto a PowerPoint presentation.

You could choose from the following PLC's – Cadburys, Ebay, Sainsburys, Tesco's, British Airways, Barclays, BT, Marks and Spencer, Vodaphone, Glaxosmithkline, Unilever, Whitbread.

1. Name of your chosen companies and a small amount of history about them.
2. What products or services do they offer?
3. What are their mission statements/goals/objectives?
4. Who is their target market and how is this different between the two companies?
5. How is their organisation set up? Their organisational chart e.g. Managing director etc?
6. What are their annual figures? E.g. sales turnover (you can access free accounts from [http://ftcom.ar.wilink.com/asp/P002\\_search\\_ENG.asp](http://ftcom.ar.wilink.com/asp/P002_search_ENG.asp))
7. If you cannot access the internet - you can contact the company as by the law they must send out their accounts
8. Compare and contrast all of their figures, - profits, revenue, costs etc
9. What are the share prices for each PLC? (put the date on when you accessed the share price)

### **Task 2 - Essay**

Now evaluate your research - by writing the below comparative essay:

**Justify which is the better PLC - from the two companies you chose to base your research on.** (you must compare and contrast the similarities and differences of each company and make a decision based on your research) - you will need to **write at least 1,500 words.**

You will need to **PRINT OUT BOTH** documents (TASK 1 - PowerPoint slides and TASK 2 - Essay) and hand them both in to Mr Clark (Head of Business) on the first Year 12 lesson in September 2022.

I have included a mark scheme for the essay and some helpful resources on the next page.
