

YEAR 10 ART SUMMER WORK

Set: 08/07/20 Due: 07/09/20

For your Summer Work we would like to create a FINAL PIECE based on some of your ideas and work you have produced throughout the Knowledge Builder Project. Remember, this work will be part of your GCSE coursework grade and every piece of work and page in your sketchbook gains you marks.

The Final Piece does not have to be large scale, unless you want it to be. The ideas below are examples you could use to base your work on. Choose ONE of the following:

Series of edited photographs based on nature and your surroundings

Mixed media work on canvas, card or wood. You can use any surface (side of a shed/old door/old furniture). This could be a collage/sections of your photos/stitching on top of your photos/leaves/stones/twigs.

Andy Goldsworthy sculpture (see Knowledge Builder Set 1 work). Take photos of this sculpture(s) and we can print them in September when you return to school.

Painting or drawing of one of your photographs using any art media.

A small film based on nature. You could also include figure, people if you want to. Some of you might like to look at the artist SLINKACHU for further ideas.

Please, please email or message us via SMHW if you are stuck or struggling with your work.
