AD

Augustine of Hippo was an early Christian theologian and philosopher whose writings influenced the development of Western Christianity and Western philosophy.

*Try to add a sentence or two for each thinker to Show which topic they feature in.*

2. Research and write a response (with a minimum of 250 words): **How is the life of Socrates comparable to the life of Jesus?**

Bring your project, printed and ready to hand in, to the first Philosophy and Ethics lesson you have in **September**. Make sure you come and ask for help beforehand if you are stuck.

**Good Luck!**
